I'm sending the guys over first thing to fix it. I'm sure we have the right colors for it.

All the best,

Casey

Casey,

I got an emergency call on Saturday to remove graffiti on the side of Niko's Pizza building. I put in a MyLA311 request and they painted over it. However, the property owner said that they didn't match the paint very well. Can you take a look at it?

Thank you.
